

EXHIBIT AT IESNA FLAGSHIP

WHAT TO EXPECT

9,000

Solar + Storage
Professionals

500

Exhibiting Companies

130+

Knowledgeable
Speakers

Intersolar & Energy Storage North America (IESNA) is committed to empowering clean energy innovation.

IESNA is the premier US-based tradeshow and conference series focused on solar, energy storage, EV infrastructure, and manufacturing. The flagship event takes place in San Diego, California on February 18-20, 2026 and connects innovators and top decision makers.

The exhibit hall and educational program provides exhibitors an unmatched opportunity to source new business, make connections, and increase brand awareness.

EXHIBIT AT IESNA TO EXPAND YOUR REACH & IMPACT:

- Generate leads, close new business, and build lasting relationships
- Meet new prospects and connect with existing customers
- Position your company for success in the growing solar, energy storage, EV infrastructure, and manufacturing industries
- Engage with attendees from top organizations throughout North America during the Solar Games installer competition, networking activities, special presentations, and learning opportunities
- Gain the opportunity to build thought leadership through show-floor educational presentations

EXHIBITORS' TOP AREAS OF FOCUS:

- Balance of Systems
- Components, Mounting, and Tracking Systems
- Energy Storage
- EV Charging Infrastructure
- PV Cells and Modules
- PV Manufacturing Equipment, Materials, and Components
- Solar Heating and Cooling

ATTENDEES' TOP 10 BUSINESS TYPES

1. EPC (Engineering, Procurement, Construction)
2. Installer/Contractor
3. Consulting Services
4. Developer
5. Distributor
6. Solar Systems
7. Solar Equipment Manufacturer
8. Energy Storage Systems
9. Solar PV Components & Equipment
10. Energy Storage Manufacturer

The lead generation that we get out of an event like this is massive for us. I've already signed up for next year."

– Bob Wszolek, Fronius USA (2025 Exhibitor)
